Sir,

Subject - Continuance of the gardeners for the maintenance of gardens both in and outside the swimming pond

---

After the opening of the Municipal Swimming pond on 17-1-55 which is now very popular, it was felt desirable to further improve the garden inside and outside the pond by laying out flower beds etc., so as to make it present a neat appearance Accordingly three gardeners were entertained for a period of 3 months from 1-4-55 and as the work could not be completed within that period they have to be further continued for a period of three more months from 1-7-1955 The garden so developed has come up well an presenting a nice appearance But unless maintenance staff is entertained, it is not possible to keep up the standard at the present level The Council have therefore approved of the proposal of retrenching one of the hands after 1-10-55 an continueing the remaining two hands up to end of 31-3-56 in the first instance.

I enclose a copy of the resolution and request you kindly to obtain orders of Government sanctioning the continuance of two gardeners from 1-10-55 to 31-3-1956

The cost will be met out of the Swiming pool Establishment, due provision being made therefor

Yours faithfully,

(N Lakshman Rau)
Municipal Commissioner

Forwarded with compliments,

(K Puttaswamy)
President
